**RESOLUTION OF THE BOARD OF DIRECTORS**

WHEREAS, California remains threatened by the presence of the novel coronavirus which was declared a worldwide pandemic by the World Health Organization as of March 11, 2020 and which can lead to the potentially fatal disease known as Covid 19; and

WHEREAS, the Davis Farmers Market Alliance (DFMA) operates a lawful outdoor farmers market in Davis California and other ancillary locations in the Sacramento California area; and

WHEREAS, DFMA is committed to public safety and to the protection of its employees, vendors, customers, and surrounding communities; and

WHEREAS, despite the outdoor nature of the farmers markets run by DFMA, and despite compliance with all local, state and federal rules, the markets can be crowded spaces, causing some customers of the markets to complain about vendors who are not wearing masks; and

WHEREAS, in furtherance of its commitment to public safety and out of respect for its 44 years of community support, the DFMA Board of Directors wishes to implement Covid prevention protocols that are stricter than applicable local, state and federal rules for the safety of everyone at the markets.

That the DFMA Board of Directors hereby adopts the following Emergency Protocol relative to Covid 19 prevention:
